EXCITING COMBINATION ANNOUNCEMENT

Combination of Stratys Consulting, Inc. and Leyla Hanson, CPA

January 21, 2022 – Leyla Hanson, CPA (Leyla) is excited to announce today that it is combining with San Jose based, Stratys Consulting, Inc. (Stratys). The combination of the two firms will further strengthen both firms' commitment to excellence by providing high quality technical expertise and customer service. The combined firm will operate as Stratys Consulting, Inc. and will continue to have its office at 360 S. Kiely Blvd., Suite 250, San Jose, CA 95129.

"By adding Leyla Hanson's firm to our family, Stratys will be able to further expand and build upon our superior levels of customer service and expertise in accounting and tax across different industries. This merger will also propel the vision of expanding our footprint in the Bay Area. The welcomed addition of Leyla Hanson's firm to ours is a strategic move that will only bring about robust benefits for our clients and both firms." Phillip Hsu, President of Stratys Consulting, Inc.

"I am very excited about combining my Firm with Stratys Consulting, Inc. I have been working closely with Phillip Hsu on this transition. I admire his dedication to excellent client service, his expertise in both domestic and international tax matters, as well as his commitment to continue the relationships that we have built between us over the years. Thank you so much for the confidence you have shown in me and my Firm, for your business, and the many referrals that you have given. We look forward to working with you at our new location!" Leyla Hanson, President of Leyla Hanson, CPA, An Accountancy Corporation.

About Stratys

Stratys Consulting, Inc. is an integrated international consulting firm with offices in San Jose and Asia with over twenty years of experience. Stratys offers a broad array of services in accounting, tax, human resources, and payroll to businesses and high net wealth individuals in a variety of industries. Comprised of highly skilled and trained professionals using a multidisciplinary approach, Stratys' aim is to be an advisor for our clients through joint planning, implementation, and mutually shared goals.
